

Shoe Tying

Bunny Ears Method

Step by Step

1 Make an X with the laces.

Cross the laces (blue over pink or pink over blue).

2 Put one lace behind and under the other.

Take the pink lace, put it behind and under the blue lace.

3 Pull the knot tight.

Pull both laces to the sides to make a tight knot.

4 Make two bunny ears.

Make a loop with each lace (bunny ears).

5 Cross the bunny ears.

Cross the bunny ears (blue over pink or pink over blue).

6 Put one bunny ear behind the other.

Take the top bunny ear (blue) and put it behind the other bunny ear (pink).

7 Pull the bunny ear through the hole.

Grab the bunny ear you pushed behind and pull it through the hole.

8 Pull the bunny ears tight.

Hold one bunny ear in each hand and pull to make a tight bow.

9 All done!
